7" Angle Grinder

Model - NI 4425

- Available in 7" Disc
- Lightweight & durable aluminum housing
- Perfect for heavy duty applications
- Lightweight parts but designed for heavy duty applications

Features

- Heavy Industrial design
- Safety Lever for operators convenience and safety
- Widely used in industrial grinding and fabrication works
- Front Exhaust
- Power stability
- Strong power, long performance life

Specifications

- Disc Size (inch) : 7
- Free Speed (rpm) : 7000
- Weight(Kg) : 3.2
- Exhaust : Front
- Air Pressure (Kg/cm²) : 6.3
- Avg. Air Consumption (L/min) : 165
- Air Inlet (NPT) : 1/4"
- Length (mm) : 343
